Right balance between dexterity and sensitivity for delicate handling

Light Duty

Multi-Purpose

Right balance between dexterity and sensitivity for delicate handling

- Ansell's HyFlex 11-600, 11-601 and 11-605 industrial gloves are designed for light and delicate applications in dry environments that require high levels of dexterity
- They offer comfortable and exact handling of small objects
- Gloves are offered in 2 colors versions :
 - black and grey for environment that presents a certain level of dirt
 - white for clean environments/dirt sensitive applications

Industries

- Automotive & Transportation
- Machinery & Equipment
- Maintenance

Applications

- Handling and assembly of electronic components
- Packaging
- Inspection
- Precision assembly
- Using delicate tools and sensitive instruments

Performance Profile

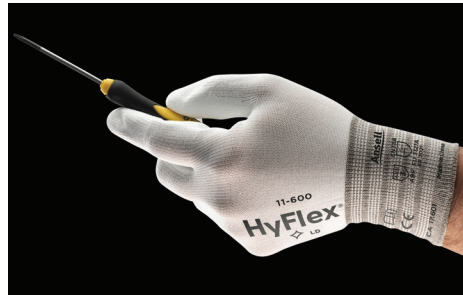

- Stretch nylon liner and polyurethane coating offer tactile sensitivity.
- Available in palm-dipped style for added protection or finger-dipped style for maximum tactile sensitivity.
- Offered in white for dirt sensitive application or in black for environments that present some level of dirt.

Performance Standards

HyFlex 11-600 & 11-601
